

The ALPS™ Ankle Brace is constructed of neoprene and comes with two attached support straps. Integrated plastic stays on each side of the ankle ensures stability.

- Soft neoprene blend provides warmth and gentle compression
- Hook and Loop strap for easy on and off
- Protects sprained ankles
- Bilateral stays on both sides control eversion without restricting normal range of motion
- Adjustable tension straps have the functionality of an athletic figure 8 bandage
- Fits both right or left
- Latex Free
