

This ALPS™ BB04 Back Support helps guard against back strains, sprains, and muscle spasms. The neoprene fabric allows for therapeutic warmth to the lumbar region. The brace is incorporated with 4 removable plastic stays to prevent rollover and allow for strength and stability.

- Lightweight and comfortable
- Four removable stays along the backside
- Simple Hook and Loop Closure allows for easy application
- Added tension straps to provide additional compression and support
- Removable Lumbar Pad
- Latex Free
