

ALPS™ Coolfit Extended Knee Brace

FIT

Coolfit Knee Brace with adjustable hinges

BREATHABLE

The ALPS™ Knee Brace is constructed of our Coolfit breathable fabric. The brace is designed to prevent or reduce the severity of knee injury. The Coolfit is available in pull-on and wrap-around style. The knee brace is manufactured longer in length than our standard brace.

- Coolfit breathable fabric allows for air circulation
- Works well for patients who are allergic to neoprene knee braces
- Hinges with flexion or extension adjustment
- Medial and lateral support
- Four adjustable velcro straps to ensure stability
- Latex Free
