

Ready for the next adventure.

The most performing among the BioStep[®] Family. An all-around foot with extra shock absorption and increased safety on all terrains, providing a softer connection to the ground.

Suggested for demanding dynamic users searching for the best. Ideal also for hiking and trekking, as well for recreational sport and high impact activities.

Natural, responsive, gently supportive

KEY FEATURES

NRG
Technology[®]

Multilayer

Split-toe

Dynamic calf
& Shin
